EXPLOSIVE NIGEL

(A RADIO PRESENTER READS OUT THE LATEST ADVERT FOR A NATIONAL SUPERMARKET AND BECOMES FED UP WHEN HE REALISES WHAT HE COPY CONTAINED)

NIGEL

So head down to See 'n Save and make huge savings on goods that matter to you.

See 'n Save, what you see is what you can get.

NIGEL

(STORMS INTO PRODUCER'S STUDIO)

Dave, that's it, I'm not doing these anymore, Dave.

PRODUCER

You're kidding, right? That's our revenue.

NIGEL

revenue/shmevenue, I am a world class DJ! Playing the decks, living the dream, taking it to the kids with hopes and dreams, and once in a while it gets tainted by saying this crap live on air.

PRODUCER

We've got to say it though.

NIGEL

Yes, but it's dumb. This type of dumb sits up there between considering to invest all your life-savings with a man with gold teeth, to trusting your highschool teacher when he said the rhythm method is the best form of contraception.

PRODUCER

Look, maybe you should take a break.

NIGEL

Don't treat me like a mouthful of cum, you spineless jockstrap, how many years did I have to spend playing crap local band's music just to work my way up to one of the most respected radio stations in the country to find Purgatory in people like you, the swing vote between a mistake and an regret.

PRODUCER

Whoa, hang on there...

NIGEL

Don' tell me to hang on there, you cretin. I dreamed of being a world-class radio DJ for millions of people to love me, and I STILL have to sell chicken to those idiots, not just to your uncle who abused you.

PRODUCER

Now that's uncalled for.

NIGEL

You think that's uncalled?? You know what's uncalled for? Asking me to say , "90c free airtime." That's not even enough money yesterday to call "yesterday" and tell your mom not to fuck that homeless man behind an abortion clinic!

PRODUCER

Whoa!

NIGEL

Tell your little boyfriend that planned trip to George where you were gonna spend quality time blowing each other's trumpets to the tune of "Lady Marmalade" will have to wait, cos you'll have to find some other peacock-brained DJ to write for. Get out!

PRODUCER

But Nigel...

NIGEL

I said get out!

SOUND: DOOR SLAMS OPEN

BOSS

Will you two shuttup and switch to music, you're live on air!!!
